OPPORTUNITIES:

- Use this as a time to jump – start 2024 in an uplifting manner!
- As the co-op general manager, this would be a prime time to assemble all or some of your directors (*maybe in a board meeting*) & watch the webinar together:
 - occasionally discussing / challenging points made by the speaker.
 - perhaps spending 15 minutes at the seminar conclusion leading a discussion on how this presentation impacts your organization, and
 - to use this as a springboard to initiate greater director incentives to continue their training.
