

Merry Christmas

Happy New Year

"My Favorite Christmas"

"When I was young, growing up on 43 acres with my brothers and cousins meant lots of room to run outside! One Christmas when I was nine or so, it iced and we hooked up old feed troughs to the four-wheeler and my dad and uncle drug us around for hours!"

-Whitney Curry

"What Christmas Means To Me?"

"Christmas time for me is all about family --- and my mom's 'world famous' butter cookies!"

- Christy Lewis

"My Best Christmas Present?" *"I was 16 years old and several of us had just returned from deer hunting in South Texas. A cold front blew in a day or two before Christmas, so it was natural that skinning 12 or 13 deer, killing hogs to mix pork, & making sausage was about to begin. As we began to skin the deer and cut off all the legs of so many deer, I popped off that, 'It sure would be nice to have a chain saw to cut off all these deer legs.' My dad left for a few minutes and returned with my Christmas present --- a McCulloh 10-10 chain saw!"* - Tommy Engelke
